Reflections from LEAD 2025

Craig McNabb
Audience & Access Services Manager
Harris Theater for Music and Dance

Access Grows Through Relationships

- Trust builds access.
- Progress happens through conversation.
- Relationships make inclusion lasting.
- Connection matters most.

Speaking So Everyone Can Join In

- Plain language is access.
- Clear words welcome people in.
- Simpler isn't lesser.
- If it's easy to understand, it works.

The Conference Is Only the Beginning

- Everyone wants to connect.
- Say hello in sessions and hallways.
- Follow up and stay in touch.
- Small conversations grow big ideas.

Thank You
